

# The Pennsylvania American Legion

This fall, members of your Post, Unit Squadron or Chapter can take one day and learn about the many different programs and projects concerning the Pennsylvania American Legion.

For a \$15 registration fee, "students" choose one of eight courses, which will be filled on a first come-first served basis: The **GENERAL COURSE** provides information on all Department programs, activities and more.

The **ADJUTANT COURSE** is a 1/2 day course which covers membership, various forms as well as other information. *(The first half of the day will be spent in the General Course.)*

The **AUXILIARY CLASS** is an all day class that covers issues pertaining to the Auxiliary.

There will also be a **SAL COURSE**. This course is a 1/2 day course for the Sons of The American Legion. *(The first half of the day will be spent in the General Course.)*

The **SERVICE OFFICER COURSE** is an all day class that will give insight on filing claims and assisting veterans in need.

The **HOME ASSOCIATION COURSE** is an all day course that will educate attendees on bookkeeping, IRS forms, small games of chance and the Home Association's relationship to the Post.

This year there will also be a **LEGION RIDERS COURSE**, which will be a full day. This will inform the student about the different aspects of the Legion Riders.

Finally, the **CHAPLAIN COURSE** is for those who are or may want to become a Chaplain and will explain your obligations and duties within your Post as the Chaplain. *(The first half of the day will be spent in the General Course.)*

For your convenience, the Department offers two "colleges". Choose to attend **October 30, 2010** at Cumberland Valley High School (Mechanicsburg, PA) **OR November 6, 2010** at Latrobe High School (Latrobe, PA). Opening program begins at 8:30 AM with all classes starting at 9:00 AM.

*Registration fee includes course material, a full course lunch and a Legion College pin.*
